Defendants

Case No. CGC – 15-544578

SECOND ORDER ON PRELIMINARY  
APPROVAL OF CLASS ACTION  
SETTLEMENT

I conducted a further hearing on class action settlement this date. No later than October 23, 2017 the parties will (a) submit (electronically) a proposed order, and (b) file supplemental materials including amendments to the settlement agreement to address these issues:

1. The Parties have agreed to modify the settlement distribution to ensure that the portion of the settlement attributable to former employees is paid to former employees. But the addendum that they have provided, which adds a ¶ 1.18A, does not modify the operative ¶¶ 1.18 and 1.40-1.41.

2. The Parties agreed to modify the notice so that it instructs recipients that they need only send their objections and/or opt outs to the Settlement Administrator. But the language in the Proposed Settlement (¶¶ 2.5.2, 2.5.4) requiring objections and/or opt outs to be sent to both the Settlement Administrator and Plaintiff's Counsel has not been modified.

1           The Parties should submit an addendum to the Proposed Settlement that modifies ¶¶ 1.18,  
2 1.40, 1.41, 2.5.2, and 2.54, as appropriate, consistent with their stated intent.
